

*"Professional translators  
and interpreters with more  
than ten years of experience"*

*Follow us!* 

# About

Trlxa is a translation service provider that works in a wide range of areas of expertise and languages. Our translators are experts in a specific area and they have more than 10 years of experience. We offer quality translations and we help companies and individuals to communicate in the language of their client, supplier or partner.

We are sure that our services will exceed your expectations and provide you specialized solutions, since the work we develop is always quality-oriented. Furthermore, in Trlxa we use the latest technology tools for the management of our team, which allows us to solve and effectively deal with all your doubts about quotation, follow-up, deliveries and more.

# Services

## Specialized Translation

Translation of a text or document of any area of specialization, such as banking, engineering, tourism, medicine, etc.

## Certified Translation

It is the translation of an official document that has a stamp of an expert recognized by an official body; the expert guarantees the translation is a complete and faithful reflection of the source text.

## Interpreting

Oral translation of a speech from one language to another; There are different techniques, such as simultaneous, consecutive, whispering, among others.

# Fields of translation

Our team of translators and interpreters has a specific area of expertise, knowledge and background relevant to handle projects that require a deep knowledge of different industries and fields. Our team is in continuous training in order to work efficiently with new technologies and modern challenges.
